Visit to Basecamp: Monday 28th September

The whole school has been invited to Basecamp, Cocklakes House, to celebrate harvest. The children will be outside planting wildflowers, harvesting produce and collecting seeds. We will then look to draw on the children's experiences and create some harvest and habitat artwork, collaborative poem or a story. The children will be leaving straight after lunch, travelling by coach and returning in time for the end of the school day.

The children will need to bring their Welly Wednesday clothes to change into after P.E.

This will replace our usual 'Welly Wednesday' session so there will be no Welly Wednesday session on Wednesday 30th September.

Phonics Information Evening : Tuesday 29th September

All parents ,of children in Reception and Year 1 , are invited to our Phonics Information Meeting on Tuesday 29th September at 3.40pm. Miss Chapelhow strongly encourages parents to attend as she will explain how phonics is taught in school and share simple, practical ways to support early reading at home. Children are welcome to join our After School Club provision while the meeting takes place. We hope you can join us.

Brass Lessons : Thursday 1st October

All children in Years 4,5,6 will need their brass instrument on Thursday 1st October.

Young Climate Warriors

This week Young Climate Warriors are encouraged to be part of that solution by talking about climate change ... talking about the need to do all we can to protect

our planet ... just like Dame Jane Goodall. We are facing one of the greatest challenges that humanity has ever faced - and yet many people never talk about it. Here's a simple 'net zero' explainer which might be useful in discussions with children. If you're looking for further inspiration, you might like to check out the Jane Goodall Institute website.

If you would like your child to join in with the Young Climate Warrior Award, please follow this link :<https://www.youngclimatewarriors.org/youngclimatewarriorssubscribe>

Thank you,

Jeanette Matthews
