Class highlights

Please take a look at our [Highlights page](#) to see all of the updates there have been this week!

Safer Internet Day

This week, all classes participated in Safer Internet Day. This year's theme was, 'Smart tech, safe choices - Exploring the safe and responsible use of AI.' Pupils explored how artificial intelligence is integrated into everyday life, while considering potential risks and discussing safe and responsible use. In addition to assemblies and in-class activities, our Digital Leaders and school council members ran a successful parent workshop. This involved a presentation about AI and interactive 'escape room' challenges.

Spelling Bee

Thank you to all our parents and carers for being so supportive with this week's Spelling Bee Challenge.

We know how much time goes into practicing those words at home, and it clearly paid off with many children throughout the school achieving full marks in the challenge! The children have been so excited to show off what they've learned, and their confidence has been amazing to see.

Year 5&6 Football - Girls

Well done to the girls who played in the quarter final of the Havering league this week. The girls showed perseverance throughout the game, and great team work. Unfortunately it didn't go their way and they were knocked out at this stage. Super effort girls!

Year 3 & 4 SportsHall Athletics

This week some of our Y3 and Y4's took part in the Sportshall Athletics competition at Harrow Lodge. They worked as a team and displayed great determination and teamwork throughout, coming 1st and 2nd in many of their events. Overall, the children finished 4th - well done!

School Uniform

We have noticed an increased number of children wearing trainers on days that are not their PE days. We would like to kindly remind all families that, in line with our school uniform policy, plain black school shoes should be worn on all non-PE days.

Trainers should only be worn as part of the PE kit on the specific days your child has physical education.
