Class highlights

Please take a look at our [Highlights page](#) to see what updates there have been this week!

Julia Lopez MP & 'Scotts Prime Minister'

Today we were delighted to welcome Julia Lopez, MP for Hornchurch & Upminster, to Scotts as part of our UK Parliament Week celebrations. Julia met with our six Prime Minister candidates and asked them about their ideas, values, and why they believe they would make a great Prime Minister for Scotts.

Brentwood Science Fair

A group of Year 5 children proudly represented Scotts Primary School at the recent Brentwood Science Fair. The children investigated how we can help to reduce microplastics.

Their second project involved using the 'TinkerCad' program to simulate different earthquake magnitudes. The children presented both projects confidently and represented the school exceptionally well. Well done!

Please see our science curriculum website page for a full slideshow of photos!

Artist visit

On Tuesday we had a visit from an artist, Steve Porter. The children enjoyed making nativity props. They made a star, some snowflakes, a stable door and some fairy wands! We look forward to using them in our upcoming nativity! Thank you to the children who took part in this project.

Christmas tree of kindness

Thank you so much for the generosity shown by the school community so far with this project. Our school council wellbeing committee will be adding more tags this week, adding gifts for a third charity; First Steps. They are another amazing local charity, supporting children 0-5 years with Special Educational Needs.

Attendance

We kindly remind parents not to book holidays during term time.

As a school we are working hard to make sure our overall attendance remains above national and local averages.

Please remember that term-time holidays cannot be authorised.

Attendance (from 2nd September 25)
