Dear Parents and Carers,

Class highlights

Please look at your child's year group presentation on the website to see what they have been up to this week. The format is a bit different to last year and hopefully clearer for everyone.

Invitation - LEGO® Build & Talk Parent Workshop - Thursday 15th October, 2pm.

We are pleased to invite you to a special LEGO® Build & Talk workshop delivered in partnership with Parent Zone. Developed alongside The LEGO Group, this interactive session is designed to help parents and carers initiate playful, positive conversations with your children about their online lives, gaming and digital wellbeing.

Whether you want to feel more confident guiding your child through online spaces, helping them play kindly, or simply navigating common gaming challenges, this session offers practical ways to explore these topics together at home.

This event will take place on Thursday 15th October from 2:00pm - 3:10pm (finishing in time for normal end-of-day school pickup). The session is only for parents and carers (children will remain in their normal classes during the session). It is best suited for parents/carers of children aged 6 to 11. Places for this workshop are limited and will be allocated on a first-come, first-served basis. If you would like to attend, please complete our quick registration form here:

Also, thank you for all of your cake donations for the sale after school. We will share the amount raised with you all next week. <https://gofund.me/61c5f2bfc>
