Class highlights

Please take a look at our [Highlights page](#) to see all of the updates there have been this week!

Maths Challenge -Brittons

A huge well done to our talented mathematicians who represented Scotts at the Brittons Academy maths challenge this week. Your hard work, dedication and problem solving skills truly shone and you came 3rd place! We are so proud of your achievements. Thank you to The Brittons Academy for organising a fantastic event.

Football Match v St Patricks

This week our Year 5 and 6 girls played the 2nd round of the cup against St Patricks. Unfortunately they didn't win the game and were knocked out at this stage. The girls showed determination and resilience throughout the game and displayed great team work. Despite the result, they kept on smiling. Well done girls, we were very proud of you all.

Y2 Bikeability

Well done to all our year 2 children who participated in the Bikeability program this week. The instructors were really impressed with their level of competence whilst cycling and I know that these sessions will really benefit our children.

St George's Day

The children had a fantastic time celebrating St. George's Day yesterday! Throughout the day the classes gathered to hear the tale of George and the Dragon, resulting in some brilliant discussions about bravery and kindness. Thank you for your support!

Parent Partnership -PSHE

We would like to invite you into school on Thursday 14th May at 2:15pm to take a look at our new PSHE (Personal, Social, Health and Economic) content, which will be introduced in September 2026.

This is a great opportunity to:

- View some resources and lesson themes your children will be using.
- Ask any questions you may have in an informal setting.

Please complete the [google form](#) if you wish to attend.

Year 4 - Hornchurch Library visit

Year 4 visited Hornchurch Library this week. They learned where to locate their favourite books and how to borrow and renew books. Everyone came home with something that they like and we hope that this trip will continue their love of reading and encourage families to use the library regularly while supporting our local amenities. Don't forget to pop along to your local library and sign up to the Summer Reading Challenge 'Read to the Beat' this year!
