20th April 2026

Dear Parents and Carers,

Skillzone - Thursday 21st May 2026

We're very pleased to let you know that we have arranged for the Years 5 and 6 to attend Skillzone which is an interactive, life-size safety education centre in Gloucester operated by the Gloucestershire Fire & Rescue Service to provide hands-on safety training. The facility features a realistic indoor village with 16 scenarios, including a road, train carriage, and house, designed to teach children and adults how to identify hazards.

We will be travelling with Belfitts coaches and will leave school at 9.00 am and return by the end of the school day.

The children will need to wear their usual school uniform and suitable footwear. They will also need to bring a packed lunch, a snack, and a drink to enjoy during the day.

Please complete the permission slip below and return it to school by Friday 8th May.

If you have any questions, feel free to contact the school office.

Kind regards

Miss E Price
 Head of School
