

## Blakeney School Spelling Bee - School finals on 20<sup>th</sup> May

Dear parents and carers,

As part of our work on improving our spellings, we are going to be having spelling bees in school this year. We have found that our children love these and it really helps them to have another reason to learn their spellings! In the first round, there will be spelling circles in class where the children will be asked to spell out loud words from the lists below. The winners of the classroom competition will get the chance to have a go at the final in assembly. There will be a Forest Spelling Bee at St White's Primary on Wednesday 20<sup>th</sup> May.
