Parent Governor

We currently have two Parent governor vacancies. Attached to this newsletter is some information about the role of a parent governor. If you would like more information please contact Mrs Daniels-Green.

Clothing

Clothing Please ensure that your child brings appropriate clothing for the weather. As it is getting colder, children will need: a waterproof coat, hat, scarf and gloves.

Reminder – we ask that children wear shoes that they can put on and take off independently. E.g. no laces etc.

Please leave a bag of spare clothes at nursery and don't forget to bring wellies back to Nursery.

If your child wears nappies, please ensure they have a bag of nappies and wipes in nursery.

Adverse Weather

In the event of adverse weather, we always make every effort to remain open. Our advice to parents/ carers is 'only travel if it is safe to do so'. If it was unsafe to open due to severe weather conditions, parents/ carers would be notified via the nursery school app and Facebook page. Please ensure you have downloaded the app and turned the notifications on.

Communication

If you have any queries or concerns, please do not hesitate to speak to a member of staff. There is always a member of staff available at the start and end of sessions and you can also request to speak to your child's Key Person.

Nut Free Nursery

We have a child in Nursery with a nut allergy. The following items should not be brought into nursery:

- Packs of nuts
- Peanut butter or Nutella sandwiches
- Fruit and cereal bars that contain nuts
- Chocolate bars or sweets that contain nuts
- Sesame seed rolls (children allergic to nuts may also have a severe reaction to sesame)
- Cakes made with nuts
- Any home cooked meals for packed lunches that are made from nuts

This list is not exhaustive, so please check the packaging of products closely. If you have any questions, please do not hesitate to speak to a member of staff.

Please ensure that your child does not bring food containing nuts, thank you.

Reminder

Mobile phones should not be used within the Nursery grounds.

SNACK MONEY

We kindly ask for a contribution towards snacks. £2 per week for 15 hour places and £3 per week for 30 hour places.

This also contributes to dressing up items, ingredients for baking, gifts at Easter and Christmas and special visitors such as the owls and mini beasts etc.

If you would like to pay for this half term, the amounts are:

Am or Pm session only places: £12

30 hours places: £18

If you would like to pay via bank transfer the details are below:

RAINBOW ROOM

This week in the Rainbow Room, we have continued to read 'We're Going on a Bear Hunt'. We have been on a bear hunt in the nursery garden, acting out the story and experiencing walking through the different textures of the 'river' and 'mud'. We have started to paint self-portraits, pointing to and identifying our facial features. In maths group we have been looking at 'one' and 'more than one'. We have identified features of a bear and learnt some new vocabulary 'claws' and 'fur'. We ended the week by making some bear toast!

SUNFLOWER ROOM

This week in the Sunflower room we have been doing lots of activities linked to our focus story, 'The Gruffalo.' Inside we have dressed up as the Gruffalo and used animal masks to retell the story, taking on the role of the different characters. We have also labelled pictures of the Gruffalo, coloured in and drawn pictures of him, made story maps and made playdough Gruffalos. Outside we went on a story journey, retelling it as we went along. We have also been thinking about the birds that we see outside and have talked about how they sometimes find it difficult to find enough food in winter. We have a bird feeder outside the window and have been watching the birds come and go. We used our threading skills to make some cheerio bird feeders to hang outside and also made some bird feeders in Forest School using lard and seeds. We had lots of fun getting very muddy on the mud slide that we made in Forest School too!

PARENT GOVERNOR VACANCY

There are places for two parent governors on the governing body of this school. They are elected by the parents of pupils at this school to serve a two year term of office. There is now a vacancy for two parent governor.

Being a governor is a valuable role that offers not only the chance to make a positive difference to the lives of our children but also a good personal development opportunity. Training and development opportunities are provided to all governors.

Below is some information about the role of a parent governor. If you are interested in being a parent governor, please request a pack from the school office. If you are interested in being a parent governor and would like more information, please speak to Mrs. Daniels-Green.

PARENT GOVERNORS

All school governing bodies have parent governors.

WHO ARE PARENT GOVERNORS?

Parent governors are elected by parents of children at the school. For a person to stand for election and to vote in a parent governor election he/she must either be the natural parent of a child registered at the school, or be a person with parental responsibility for, or having care of, such a child.

In Maintained Nursery Schools parents of children for whom educational or other provision is made on the premises of the school at the time of the election are also eligible to stand for election and vote in a parent governor election.

If there are insufficient eligible candidates for the vacancies at an election the governing body can appoint a parent governor, but there are restrictions on who can be appointed.

Parent Governors normally serve for two years. If a parent governor ceases to be the parent of a child registered at the school within the period for which they have been elected, he/she may continue to be a governor for the rest of his/her term of office.

WHAT ARE PARENT GOVERNORS?

Parent governors have the same rights, responsibilities and duties as other governors.

Parent governors should play a full and active part in the governing body but,

Parent governors, like other governors, do not have the power to act as individuals or as a group, unless specifically authorised to do so by the governing body.

Parent governors are not on the governing body simply to represent the interest of parents, or to be the only link with parents because all governors must have regard to these issues.

WHAT DO GOVERNORS DO?

All maintained schools have a governing body which together with the headteacher sets the aims and policies of the school. The headteacher is responsible for the day to day management of the school. Together the governing body and headteacher must ensure the school provides good quality education and helps to raise standards.

The governing body:

- is accountable for the performance of the school to the parents and the wider community
- plans the school's future direction
- selects the headteacher
- makes decisions on the school's budget and staffing
- makes sure the National Curriculum is taught
- decides how the school can encourage pupils' spiritual, moral and cultural development
- makes sure the school provides for all its pupils, including those with special educational needs.

HOW MUCH TIME WILL IT TAKE?

To be an effective member of the governing body team, it takes time. You will need to prepare for and attend at least three full governing body meetings per year. These usually meet at least once a term.

WHAT SUPPORT IS AVAILABLE?

Lancashire LEA and the provide a wide range of support services and training for governors.

All new governors receive an introductory pack of materials from the LEA which outlines the range of training opportunities available to governors and governing bodies and provides the basic reference documents. There is also a termly newsletter which helps to keep governors up to date with recent developments.

If you require more information about being a governor speak to the headteacher at your child's school or contact Governor Services on 01257 516147, governors.central@lancashire.gov.uk .

Thank you for your continued support
