Weekly Contributions - We call snack money!

Help nursery to maintain our healthy snack and activities provision. Government funding only covers our day to day running of costs. All extras such as baking ingredients, healthy snacks, Christmas and Easter presents are covered by your donations. We even have different foods linked up to special occasions such as Chinese New Year, Eid and Christmas and visits from Lancashire Hawks & Owls and Fishers Farm Animals. Without your contributions we will not be able to maintain our continuing sustainability.
