RAINBOW ROOM

This week in the Rainbow Room we have been reading Dear Santa as our focus story. We have discussed what we would like for Christmas and have written letters to Santa. In the role play area outside we have been posting letters. We have been building a sleigh for Santa in the construction area, and we have also been busy completing cards and calendars. In maths group we have been sorting 'big' and 'small' items.

SUNFLOWER ROOM

This week in the Sunflower room we have been busy making calendars and also party hats ready for next Friday, using our printing skills. Our focus story has been 'The Nativity' and in our non-fiction time we have been learning about how Christmas is celebrated in different countries. This week the children have also been out of nursery on community walks to deliver Christmas cards that we had made to some of the local businesses. The children all walked very safely and we spent time looking at different features of our local community whilst we were out. The people that we gave the Christmas cards to really appreciated them. Our theatre area is now a 'Santa's Workshop' where the children have been busy little elves wrapping presents. In Forest School the children have enjoyed a treasure hunt where they were rewarded at the end by finding chocolate coins. We have also been busy practising Christmas songs which we will be recording the children singing next week and putting on Tapestry.

PARENT GOVERNOR VACANCY

There are places for two parent governors on the governing body of this school. They are elected by the parents of pupils at this school to serve a two year term of office. There is now a vacancy for two parent governor.

Being a governor is a valuable role that offers not only the chance to make a positive difference to the lives of our children but also a good personal development opportunity. Training and development opportunities are provided to all governors.

Below is some information about the role of a parent governor. If you are interested in being a parent governor, please request a pack from the school office. If you are interested in being a parent governor and would like more information, please speak to Mrs. Daniels-Green.

PARENT GOVERNORS

All school governing bodies have parent governors.

WHO ARE PARENT GOVERNORS?

Parent governors are elected by parents of children at the school. For a person to stand for election and to vote in a parent governor election he/she must either be the natural parent of a child registered at the school, or be a person with parental responsibility for, or having care of, such a child.

In Maintained Nursery Schools parents of children for whom educational or other provision is made on the premises of the school at the time of the election are also eligible to stand for election and vote in a parent governor election.

If there are insufficient eligible candidates for the vacancies at an election the governing body can appoint a parent governor, but there are restrictions on who can be appointed.

Parent Governors normally serve for two years. If a parent governor ceases to be the parent of a child registered at the school within the period for which they have been elected, he/she may continue to be a governor for the rest of his/her term of office.

WHAT ARE PARENT GOVERNORS?

Parent governors have the same rights, responsibilities and duties as other governors.

Parent governors should play a full and active part in the governing body but,

Parent governors, like other governors, do not have the power to act as individuals or as a group, unless specifically authorised to do so by the governing body.

Parent governors are not on the governing body simply to represent the interest of parents, or to be the only link with parents because all governors must have regard to these issues.

WHAT DO GOVERNORS DO?

All maintained schools have a governing body which together with the headteacher sets the aims and policies of the school. The headteacher is responsible for the day to day management of the school. Together the governing body and headteacher must ensure the school provides good quality education and helps to raise standards.

The governing body:

- is accountable for the performance of the school to the parents and the wider community
- plans the school's future direction
- selects the headteacher
- makes decisions on the school's budget and staffing
- makes sure the National Curriculum is taught
- decides how the school can encourage pupils' spiritual, moral and cultural development
- makes sure the school provides for all its pupils, including those with special educational needs.

HOW MUCH TIME WILL IT TAKE?

To be an effective member of the governing body team, it takes time. You will need to prepare for and attend at least three full governing body meetings per year. These usually meet at least once a term.

WHAT SUPPORT IS AVAILABLE?

Lancashire LEA and the provide a wide range of support services and training for governors.

All new governors receive an introductory pack of materials from the LEA which outlines the range of training opportunities available to governors and governing bodies and provides the basic reference documents. There is also a termly newsletter which helps to keep governors up to date with recent developments.

If you require more information about being a governor speak to the headteacher at your child's school or contact Governor Services on 01257 516147, governors.central@lancashire.gov.uk .

Thank you for your continued support
