RAINBOW ROOM

This week in the Rainbow Room, we've been reading books about 'being healthy'. We have been learning about healthy bodies, including brushing our teeth, keeping clean, eating fruits and vegetables and the importance of sleep and exercise. We have continued to sing Five Little Speckled Frogs as our number song. We have been painting butterflies, making symmetrical pictures.

SUNFLOWER ROOM

This week in the Sunflower room we have been learning about how plants grow and what they need in order to grow. In Forest School this week we made Bee Bombs using seeds which can either be planted out in a garden or in a pot at home. Today during our gardening sessions, we have also been planting either sunflower seeds or beans to take home to watch grow. Please add photos of these growing to Tapestry so that we can look at them in our key person groups.
