### Half Term

We hope you have a good half term holiday. Please add photos to Tapestry for your child to share with their group when they return. This does not have to be an outing or event it can be anything that your child has enjoyed doing at home etc.

### Clothing

**Clothing** Please ensure that your child brings appropriate clothing for the weather, especially for Forest School. As it is getting colder, children will need: a waterproof coat, hat, scarf and gloves.

**Reminder** – we ask that children wear shoes that they can put on and take off independently. E.g. no laces etc.

Please leave a bag of spare clothes at nursery and don't forget to bring wellies back to Nursery.

If your child wears nappies, please ensure they have a bag of nappies and wipes in nursery.

### World Book Day

We will be celebrating World Book Day on Friday

6<sup>th</sup> March (the Friday Forest School session will be swapped to Wednesday 3<sup>rd</sup> March).

The focus will be promoting a love of reading. Children can dress up as a character or come in their pyjamas as we will be sharing 'bedtime stories'. The children will also experience having stories read to them by different members of staff throughout the half term.

### Communication

If you have any queries or concerns, please do not hesitate to speak to a member of staff.

There is always a member of staff available at the start and end of sessions and you can also request to speak to your child's Key Person.

The following items should not be brought into nursery:

### **RAINBOW ROOM'S SKILLS TO PRACTISE AT HOME:**

**Sitting down at the table to eat**

### **RAINBOW ROOM**

This week in the Rainbow Room we have been learning all about Chinese New Year and reading 'Maisy's Chinese New Year'. We have been practicing our fine motor skills by using scissors to cut, to make lanterns. We have also explored paint using our fingers to make Valentine's Day cards. Outside, we have been mark-making using mud to 'paint' Chinese numbers. We have also practiced moving around like different animals and had races outside. In maths group, we have been exploring size 'big' and 'small'. We have tasted some Chinese style foods!

### **SUNFLOWER ROOM**

 This week in the Sunflower

room we have been

learning about Chinese New Year. We have done some fantastic Chinese writing and also used our scissor skills to make Chinese lanterns and dragons. Yesterday we did some dragon dancing as part of our celebrations and today we made and tasted rainbow rice. At the beginning of the week each key person group did their performance of 'Walking through the Jungle' which they have been working on in focus story time over the past two weeks (please see Tapestry for the videos). Safer Internet Day was on Tuesday so we have also been thinking about the safe use of different devices and the internet with the children, emphasising adult presence whenever they are online.

## PARENT GOVERNOR VACANCY

There are places for two parent governors on the governing body of this school. They are elected by the parents of pupils at this school to serve a two year term of office. There is now a vacancy for two parent governor.

Being a governor is a valuable role that offers not only the chance to make a positive difference to the lives of our children but also a good personal development opportunity. Training and development opportunities are provided to all governors.

Below is some information about the role of a parent governor. If you are interested in being a parent governor, please request a pack from the school office. If you are interested in being a parent governor and would like more information, please speak to Mrs. Daniels-Green.

### PARENT GOVERNORS

All school governing bodies have parent governors.

### WHO ARE PARENT GOVERNORS?

Parent governors are elected by parents of children at the school. For a person to stand for election and to vote in a parent governor election he/she must either be the natural parent of a child registered at the school, or be a person with parental responsibility for, or having care of, such a child.

In Maintained Nursery Schools parents of children for whom educational or other provision is made on the premises of the school at the time of the election are also eligible to stand for election and vote in a parent governor election.

If there are insufficient eligible candidates for the vacancies at an election the governing body can appoint a parent governor, but there are restrictions on who can be appointed.

Parent Governors normally serve for two years. If a parent governor ceases to be the parent of a child registered at the school within the period for which they have been elected, he/she may continue to be a governor for the rest of his/her term of office.

### WHAT ARE PARENT GOVERNORS?

**Parent governors** have the same rights, responsibilities and duties as other governors.

**Parent governors** should play a full and active part in the governing body but,

**Parent governors**, like other governors, do not have the power to act as individuals or as a group, unless specifically authorised to do so by the governing body.

**Parent governors** are not on the governing body simply to represent the interest of parents, or to be the only link with parents because all governors must have regard to these issues.

## WHAT DO GOVERNORS DO?

All maintained schools have a governing body which together with the headteacher sets the aims and policies of the school. The headteacher is responsible for the day to day management of the school. Together the governing body and headteacher must ensure the school provides good quality education and helps to raise standards.

The governing body:

is accountable for the performance of the school to the parents and the wider community

plans the school's future direction

selects the headteacher

makes decisions on the school's budget and staffing

makes sure the National Curriculum is taught

decides how the school can encourage pupils' spiritual, moral and cultural development

makes sure the school provides for all its pupils, including those with special educational needs.

## HOW MUCH TIME WILL IT TAKE?

To be an effective member of the governing body team, it takes time. You will need to prepare for and attend at least three full governing body meetings per year. These usually meet at least once a term.

## WHAT SUPPORT IS AVAILABLE?

Lancashire LEA and the provide a wide range of support services and training for governors.

All new governors receive an introductory pack of materials from the LEA which outlines the range of training opportunities available to governors and governing bodies and provides the basic reference documents. There is also a termly newsletter which helps to keep governors up to date with recent developments.

If you require more information about being a governor speak to the headteacher at your child's school or contact Governor Services on 01257 516147, [governors.central@lancashire.gov.uk](mailto:governors.central@lancashire.gov.uk) .

Thank you for your continued support
