

Getting Outdoors

There has been lots of activity outdoors this week. Year 3 had their Stone Age Day in the woods. As part of their historical enquiries they enjoyed cooking fish on the fire - I was told it tasted delicious!

Year 4 also spent a day outdoors, including litter picking in Cuerden Valley as part of their service to others.

Parents and carers were invited to Welly Wednesday to Stay and Play this week - having lots of fun together across the EYFS areas of learning. We are so fortunate to have such wonderful grounds to enhance our learning.

Where will you **Get Caught Reading?**

Safety at Home Time

When children have been collected by parents/ carers, please:

- **Keep your children close by, on the paths or the playground.**
- **Do not let them run on the grassed areas down by the drive or near the Infant building.**

This is for safety reasons. Children do not access these parts of the grounds when they are with school staff. Sometimes we have deliveries eg. piles of paving flags - and they are not safe to climb on.

There are also shoots of daffodils, snowdrops and crocuses that children have planted - let's enjoy those signs of spring and let them grow without trampling them.

Reminders...

Go Green Day - Wear something Green on Monday - all classes will work on a project towards our Climate Change Awareness competition.

Electro City Lego Workshop Day is on Thursday.

"Get Caught Reading" Competition

To enter you need to send in a photograph, via your class Seesaw page, of your child reading in an unusual place. There is no cost to enter, but there will be book token prizes for the most creative ideas in four categories - EYFS, KS1, lower KS2 (Y3/4) and upper KS2 (Y5/6).

Photographs need to be submitted, via Seesaw, by Friday 27th February, giving you plenty of time to do this over the half term break

Ethic of Excellence Awards

Well done to:

Archie (Willow)
Everett (Ash)
Chloe (Oak)
Amelia I (Elm)
Freddie (Beech)
Addison (Silver Birch)
Sophia (Holly)
Emily (Elder)

Parent School Readiness Workshop (Ages 3-5)

Clayton le Woods CE
Primary School
6th MARCH
1pm-3pm

SCAN THE CODE TO BOOK

Workshop for Parents/ carers of 3-5 Year Olds

We are pleased to be hosting a 2-hour parent workshop that supports parents to understand school readiness beyond academic skills, focusing on the sensory, motor and regulatory foundations that underpin attention, behaviour and learning. Parents will gain practical, play-based strategies they can use at home to help their child feel body ready and emotionally ready for school.

The programme has been written by Occupational Therapist Vicky Dempsey, and the workshop will be delivered by Hannah Clark. Use the QR code opposite to book.

Our Vision

Together we inspire one another to live life to all its fullness, rooted and built up in Christ, so that every member of our school community can learn, develop and flourish, to live in the world as the unique individuals God created us to be.

Worship

This week we continued exploring how we are developing spiritually - thinking about Wow moments when we feel connected to other people, to God and to nature. We also thought about the things that bring us great joy and things that help us to feel calm and peaceful.

Diary Dates for 2026
