## Weekly Update

Three classes have been out and about this week. **Year 4 had a fantastic time at Liverpool Museum** - immersing themselves in Ancient Egyptian life. The class impressed the curators with their knowledge, along with their engagement and curiosity - well done Silver Birch Class! **KS1 visited Blackpool Zoo** yesterday. Once again our children impressed the zoo keepers in their workshops. Year 1 explored lots of animal parts up close and were experts in sorting animals into reptile, fish or mammal groups. Year 2 showed off their knowledge whilst exploring habitats. Everyone had a great time visiting all the different animal enclosures, enjoying a sea lion show and we just managed to stop a lemur escaping and joining us on the bus!

## We've Been to the Zoo, Zoo, Zoo - How About You, You, You?

## **Happy 100<sup>th</sup> Birthday to David Attenborough!**

KS2 enjoyed a special worship celebrating David's great achievements and his inspiration to us to protect our planet. What better way to honour his birthday than with Colin the Caterpillar birthday cake!

**Whole School Attendance**  
**This Week - 93%**  
**Late Marks - 19**

Get ready because our final competition of the year is here! **The Sunflower Growing Challenge!** 🌻

Every child will be bringing home a special seed envelope with a sunflower seed inside. We'd love you to plant it together at home and nurture it as it grows. With a little sunshine, water, and care, who knows how tall it might reach?

In the final week before May half term, please bring your potted sunflower (clearly named) into school so we can display them proudly and watch them grow together.

If you need a plant pot, don't worry, we've got you covered! There will be a box outside the school office, so please feel free to take one.

We'll provide the seed... you bring the care, creativity, and a little bit of growing magic!

## Our Vision

*Together we inspire one another to live life to all its fullness, rooted and built up in Christ, so that every member of our school community can learn, develop and flourish, to live in the world as the unique individuals God created us to be.*

## Worship

Philip told us how, after the breakfast on the beach, Jesus forgave Peter for denying him three times. Jesus asked Peter to feed his sheep and take care of his lambs. Peter certainly did this - sharing Jesus' love with everyone he met.

We also heard the 'Parable of the Sower' and thought about how different people react to hearing God's word and Jesus' teachings. Jesus wants us to be like good soil - where his love can flourish and grow.
