## Year 6 Shine During SATs Week! 🌟

We are incredibly proud of Elder Class for the effort, determination, and positive attitude they showed during their SATs this week.

The children approached each test with maturity and focus, demonstrating not only their knowledge but also their resilience.

SATs can feel challenging, but Year 6 took everything in their stride with calm confidence and a brilliant “can-do” attitude.

What stood out most was the way they supported each other. From encouraging words to quiet reassurance, their kindness and teamwork helped create a calm, positive atmosphere for everyone.

SATs are just one small part of a much bigger journey, and we are proud of every single child for their hard work across the year. Their commitment, perseverance, and willingness to try their best are what truly matter.

A huge thank you to our staff (especially to Mr Kay for the delicious breakfast every day!) and families for their continued support which has made all the difference. Well done, Year 6—you have been amazing! 🎉

## Flourishing Fridays

Thank you to parents and grandparents who came to help in the garden today with some EYFS and Y4 children. We did lots of weeding, planted some flower seeds and lavender plants and we are having a new base laid for a shed. It was a hive of activity today!

## Lancashire Health Visiting and School Nursing Health App

Parents/carers and young people in Lancashire can access trusted health and wellbeing advice through new digital tools. The Lancashire Child and Family Health app is available to download on the **Apple App Store** and **Google Play Store**. The app provides expert information on child development from before birth to age 19 (SEND 25), including breastfeeding, healthy eating, sleep, vaccinations and support for dads. The Young People tile is full of advice and support for 11-16 & 16-19 yrs relating to emotional health, exam stress, sleep, relationships and lots more. Download the app and search for Lancashire Child and Family OR scan the QR Code

## A reminder of What We Do?

School Health Teams are responsible for delivering the Department of Health recommended Healthy Child Programme (HCP) to 5-19 years. This includes

- Promoting the health, wellbeing and protection of all children/young people of school age (up to 19yrs)
- Work with education colleagues and the wider multi-agency teams and help to improve public health outcomes for children/young people and families
- School Health Needs Assessments (SHNA's) in Reception, Yr6 & Yr9

### We also offer support with

- Sleep
- Continence
- Changes to your body (puberty)
- Emotional health and wellbeing
- Managing behaviour
- Hygiene
- Sexual Health and much, much more

## Confidentiality & Consent

While we offer confidentiality, the School Health Teams do work in partnership with other agencies, where information may need to be shared in the child/young person's best interest.

In Secondary schools, young people can access the School Nurse independently for advice and support without parental consent. However, we will always encourage young people to speak with their parent/carers.

The School Health Teams usually see young people at school or college but may occasionally see them in the home or other community settings.

## School Photograph Orders

If you are wanting to buy your class photograph remember that the closing date for **free delivery** back to school is **Monday 25<sup>th</sup> May 2026**. Order through the Tempest website using your unique link that was emailed to you, or if you have received paper order forms visit [www.tempest-orders.co.uk](http://www.tempest-orders.co.uk) If you need any assistance in ordering your photos, contact Tempest on 01736 751555 (option 5).

### Our Vision

*Together we inspire one another to live life to all its fullness, rooted and built up in Christ, so that every member of our school community can learn, develop and flourish, to live in the world as the unique individuals God created us to be.*

### Worship

We explored two more parables this week - The Precious Pearl and The Two House Builders. We thought about the special messages that the stories help us to remember.

We also enjoyed learning the House Builders action song.
