And finally, a few questions for parents.

Does your child have any health or medical issues / allergies?

Has your child attended any nursery or pre-school settings previously?

*Please provide us with the name of the setting and pass on any transition information they may provide. This will help us to understand your child's current needs and the progress they have made within the setting.*

Has your child received a diagnosis of any special educational need or has anything been raised as a concern by professionals?

Do you have any concerns about your child?

Are there any external services or support agencies involved with your child/family e.g. speech and language therapists?

How can we best support you as parents?

**Together we inspire one another to live life to its fullness, rooted and built up in Christ, so that every member of our school community can learn, develop and flourish, to live in the world as the unique individuals God created us to be.**
