MISSION STATEMENT

Forming pilgrims of hope with kind hearts, questioning minds, a thirst for knowledge and a hunger for justice.

CONTEXT

At St Gabriel the Archangel Catholic Multi-Academy Trust, we ask all colleagues to adopt and uphold the highest standards of professional behaviour, guided by our belief that every child we serve *"is made in the image and likeness of God."*

We recognise that colleagues may interpret these "highest standards" differently in practice. This Code of Conduct is therefore designed to provide shared guidance. It does not replace Job Descriptions or Contracts of Employment, but serves as a supportive framework to complement them.

This Code is not an exhaustive list of acceptable or unacceptable behaviours. Where situations fall outside of its specific guidance, staff are expected to exercise sound professional judgement and always act in the best interests of the pupils, the Trust, and their school community, always considering how their actions align with our operating principles.

As a Catholic Trust, we expect all adults working in our schools and central team to live out our mission statement and embody the Trust's vision, values, and operating principles. Under the Catholic Education Service terms and conditions, staff are also expected to be conscientious and loyal to the aims and objectives of the Trust and its schools.

In addition, staff are required to support, preserve, and develop the Catholic character of our schools and the Trust. This means having due regard for our Catholic ethos in both professional and personal conduct, and avoiding anything that might cause detriment to the reputation, mission, or character of the Trust at any time.

Our Operating Principles (Characteristics of St Gabriel the Archangel)

Our mission is our "why" – the reason we exist and the purpose that inspires our work. The five Characteristics of St Gabriel the Archangel are our "how" – the way we act, speak, and behave so that our mission becomes a lived reality.

These principles are the firm foundation for every policy, decision, behavioural expectations and relationship within our Trust. They guide our conduct, shape our culture, and ensure that all we do reflects the values we are called to uphold. By living these characteristics each day, we make our mission visible in our schools and in the communities we serve.

- We Stand in God's Presence with Confidence and Humility
- We Speak with Peace and Courage
- We Believe that with God nothing is Impossible
- We Listen with Love
- We Serve a Mission Greater Than Ourselves

Principles in Practice: To make these principles tangible, consider how each one guides your daily actions. For instance, "We Listen with Love" means actively seeking to understand before responding, and "We Serve a Mission Greater Than Ourselves"

reminds us that our primary duty is to the children and young people and the Trust's overarching goals that considers and support our family of schools.

Introduction

St Gabriel the Archangel Catholic Multi-Academy Trust Code of Conduct has been created using "Guidance for safer working practice for those working with children and young people in education settings".

Adults have a crucial role to play in the lives of children. This guidance has been produced to help them establish the safest possible learning and working environments which safeguard children and reduce the risk of them being falsely accused of improper or unprofessional conduct.

The term 'allegation' means where it is alleged that a person who works with children has

- behaved in a way that has harmed a child, or may have harmed a child;
- possibly committed a criminal offence against or related to a child; or,
- behaved towards a child or children in a way that indicates they may pose a risk of harm to children.
- behaved or may have behaved in a way that indicates they may not be suitable to work with children.'

Staff and adults at St Gabriel the Archangel Catholic Multi-Academy Trust should understand that their own behaviour and the manner in which they conduct themselves with their colleagues, pupils, parents and other stakeholders, sets an example.

In response to allegations made against supply or agency staff, St Gabriel the Archangel Catholic Multi-Academy Trust will ensure that we involve the agency fully, but the Academy/SGtA will take the lead in gathering the necessary information and liaising with the Local Authority Designated Officer.

St Gabriel the Archangel Catholic Multi-Academy Trust expects all of its pupils to receive the highest possible quality of teaching and care within a positive and respectful environment.

We expect all staff to demonstrate consistently high standards of personal and professional conduct at all times. All staff must have regard for the need to safeguard pupils' well-being in accordance with statutory requirements. All staff should treat pupils with dignity and build positive relationships rooted in mutual respect.

All staff employed under Teacher's Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012'.
