### Illnesses

During this academic year, we have had many children with bugs, rashes and illnesses. In school we continue to remind the children to wash hands regularly and use good hygiene. If your child is unwell, please keep your child off school until they are well enough to return. Also, if your child displays with a rash, please ensure this is checked by a medical professional before your child comes into school. We are striving to keep all our children and staff well during the next term.
