## **Willowcroft Community School Home School Agreement**

A child's education starts at home and continues as a partnership between home and school. We want this partnership to be highly successful and believe that this is best achieved when all partners are clear about expectations and responsibilities. The home school agreement tries to formalise these responsibilities. We believe that in providing enriching experiences that inspire children and equip them, that they will be ready for the challenges of the future.

### **Our wish is that a Willowcroft child will:**

- Be happy, healthy and safe
- Be respectful, honest and well-behaved
- Be an independent and confident learner
- Achieve their full potential both educationally and socially
- Be confident to explore and develop the outside environment
- Be a confident user of modern technology
- Be an ambassador for the school and community
- Have a global understanding of the world we live in

### **This will be achieved through:**

- Nurturing children
- Strong Values
- Effective leadership
- Excellent teaching and learning
- A creative and exciting curriculum
- Use of the outdoor environment
- A successful partnership between home and school

***“Working together, we will bring the school to the heart of the community.”***

The aim of the agreement is to make clear to

- Children
- Parent/Carers
- Staff
- Governors

that they have an equally important part to play in helping each individual pupil make the best use of the opportunities available at our school.

We believe that our success is built upon an open and supportive partnership between our Children, parent/carers, staff and governors.

We aim to face the challenge of the 21st century by providing all our children with a broad, relevant, creative and challenging curriculum which will equip them for the future.
