Spring Term

Happy New Year and welcome back after what we hope was a lovely Christmas break!

A huge thank you from all of us for the lovely gifts at the end of last term!

We would like to warmly welcome our new children to Pre-school. I hope you are all looking forward to an exciting term.

We have lots of wonderful activities planned! We'll be getting creative with Puffy Paint, nature prints, making our very own Rock Pets and tiger masks, as well as exploring corn flour. Outside we'll be playing with magic potions in the mud kitchen, going on nature treasure hunts and of course whizzing around the track on the bikes. The Three Bears will be one of the stories that we'll be acting out during circle time and we're going to make a giant pirate ship on the carpet for lots of role play fun!

Thanks to all of the wonderful fundraising efforts, we have now received our new bridge for the garden which we will be building this term 😊 We are so excited about the new garden area!

We have quite a few events going on later in the term, including a rearranged trip from last term, so please check the dates in the diary section!

Staffing

This term we say huge congratulations to Phoebe who is expecting her first baby in May this year. Due to the current coronavirus situation Phoebe will be taking a slightly earlier than planned maternity leave and will be handing over her key children to Zoe B or Zoe H and will be office based until half term. A letter will be going out to Phoebe's key children and your new keyworker will introduce themselves to you. We also welcome Katie our new Nescot student and Zoe will be joining us on Thursdays and Leah will be joining you on a Friday in the meantime. We are currently recruiting for the maternity cover and for bank staff .
