

# WRITING FRAMEWORK WEBINARS 4,5 and 6

English Hubs  
Whiston Worrygoose

Today, not being able to write well is holding too many children back. More than a quarter of our children are leaving primary school not up to the expected standard, unable to write well enough to succeed in secondary school and beyond. That's a huge barrier to learning, not just in English lessons, but across the whole curriculum.

### Transcription

Our fourth webinar includes further information about transcription. During the webinar we will explain the importance of teaching spelling and handwriting effectively to reduce the cognitive load on pupils and ensure they become skilled writers who write fluently and legibly.

## Webinar 5

### Composition

Our fifth session focuses specifically on the explicit teaching of writing during writing lessons to meet the composition requirements of the national curriculum.

## Webinar 6

### Pupils who need the most support

The final webinar of our short programme will consider how best to support those pupils who find writing difficult to ensure that we remain ambitious and inclusive.
