

# FLUENCY PROGRAMME NEW FOR 2026!

*"If pupils are not able to read to an age-appropriate level and fluency, they will be incapable of accessing the rest of the curriculum, and they will rapidly fall behind their peers."*

Gill Jones, Ofsted Deputy Director for Early Education

This new programme of medium level support brings together the extensive experience of HFL and the English Hub network with the ultimate aim of equipping teachers with the knowledge and skills required to improve fluency and comprehension for their pupils.

Across two full face to face days delegates will explore what fluency is and how to utilise a selection of well-evidenced strategies to develop reading fluency and support pupils in improving their reading and enjoyment of texts.

Alongside opportunities to hear from experts in the field of fluency, delegates will see real-life examples from primary classrooms and have time to reflect upon their current teaching and consider how this could be improved.
