

Our English Hub Showcase Events are practical, half day workshops designed to promote and share best practice in relation to the teaching of early language, reading and phonics. They have been carefully structured with inputs from school leaders, literacy and EYFS specialists and will include opportunities for lesson and teaching observations, action planning and facilitated, professional discussion.

About Whiston Worrygoose English Hub!

Whiston Worrygoose is in the centre of Rotherham. It is a vibrant school serving a diverse catchment. A real emphasis is placed on early language development and reading. We like to keep it simple. We invest time and effort into ensuring that implementation is effective, responsive to context and pupil need, and that the focus of teaching includes a diagnostic approach to barriers faced by learners. We like to learn together. High expectations are embedded into the culture of the school and are the foundations of an interactive and engaging approach which goes beyond a basic delivery model. We like to think differently.

Contributions to cover costs will be available for eligible schools following attendance of the Headteacher at a Whiston Worrygoose English Hub Showcase.
