Year 3 Trip Richmond Castle

This week, Year Three had a super day full of history. We visited Richmond and explored the ruins of the Norman Richmond Castle. As part of our day, we climbed to the top of the great keep, discovered why the castle was built on this site and had our picnic lunch in the castle grounds. There were some interesting artefacts in the throne room for the children to investigate as well as some medieval costumes to try on too. Well done to the children who were great enquiry explorers and learned all about when, where and why the castle was built.

Yr 5 & 6 Football Competitions

A group of Year 5 and 6 girls went to Thirsk School to take part in a football competition against local schools. Well done to all the girls for their excellent attitude, hard work and sheer determination. The girls in defence did a very good job, and those upfront continued to push forwards despite some tricky opposition. Congratulations to never giving up despite being unable to convert her shots into goals!

Our Year 5/6 Boys took to the pitch last week and although coming Fourth in the competition the boys were proud of their achievement. They all showed team comradery, played with respect and kept Mrs Fisher entertained!

Special shout out to Leo who won the thumbs up award!

Well done to all our players.
