Message from Mr Crocker

After 20 years this will be my last newsletter.

It has been a privilege to lead this school. Over this time more than 600 children have passed through the school and onto High School and it has been a joy to watch them learn and develop into super young people.

Carlton Miniott Primary Academy is a special place and I will always remember my time here fondly. As a new chapter for the school starts, with a new Headteacher, I wish everyone the best and I am sure the school will continue to thrive under Mr Boyle's leadership.

Thank you for all your support over the years and I look forward to hearing about all the good things your children get involved in as they grow up.

Have a lovely summer holiday.
Steve Crocker.

Well Done for Excellent Results

Well done to all the children for their excellent national test results this year and to all the staff for all the hard work they put into preparing the children.

Reception- Good level of development = 84%

Year 1 - Phonics Screening = 97%

Year 6 SATs - Reading = 88% Writing = 82% Maths = 76%

Friends of School

I would like to take this opportunity to say a big "Thank You" to everyone involved in Friends of School. I really appreciate all the work you have done over the last 20 years.

All the children really benefit from the funding FOS raise and it enables us to provide experiences for the children that we would otherwise be unable to do. I would like to encourage anyone interested to get involved so we can continue to provide these exciting opportunities for your children. Please see further information from FOS later in this newsletter.

KS1 Multisports

Last week 11 of our KS1 children thoroughly enjoyed an afternoon of multi-sports, at Thirsk School, along with other local primary schools.

Herriot Hospice

Over the last few weeks the Year 6 children have been taking part in a Community Arts Project with the team at Thirsk Arts Society and the Herriot Hospice at the Lambert in Thirsk. The work that the children did was phenomenal and we are so proud of them. You will see it in the front of school if you call in.

Four children, Kuba, Phoebe, Ruby and Imogen, were chosen to have their specific pieces framed for the hospice, to be displayed in the Community Room.

All the artwork will be shown on a screen at the hospice, so everyone's work will be celebrated. Children and families are welcome to visit the hospice on 3rd, 5th and 6th September where there will be reps from the Arts Society and hospice staff/volunteers will serve coffee/tea.

Yesterday, Rosie Page (James Herriot's daughter) came to talk to Class 6 about her involvement with the hospice and to thank them for their hard work.

To celebrate our 10th Birthday here at Kristina's we are holding a raffle.

All proceeds from the raffle will be donated to Herriot Hospice.

Tickets are available from the shop

Celebrating the Friends of School

This year has been nothing short of amazing for our school, all thanks to the incredible efforts of our Friends of School!

They have generously contributed over £12,000, which has been spent on things that really matter to us, like exciting trips, buses, nativity costumes, and a range of equipment. Can you believe it?

Without them, we would either have to miss out on so many fantastic experiences or ask our parents and carers for more money. Imagine a school without those memorable trips or the amazing Christmas parties or Music for life! Just look at Imogen and Emily's wonderful and informative poster (next page) to see more of what has been spent on your children.

The Friends of School not only lighten the financial load, but they also bring a whirlwind of fun activities to our school! From summer fairs to school discos, their enthusiasm is contagious, and they create opportunities for all of us to bond and make lasting memories. It's hard to put into words how invaluable they are to our school community.

If any of you are feeling inspired and want to help make a difference, why not get involved? They are always looking for new faces to join their team, and I can guarantee that it will be a rewarding experience.

So, if you're keen to take part in the fun, reach out to them – they'd absolutely love to hear from you!

Together, we can continue to make our school a lively, engaging place for everyone!

Thank you FOS,
From all the staff and children!

Class R visit to Newby Hall

Class R had a fabulous day at Newby Hall. The children were amazing, as always, a real credit to our school. We just about managed to keep cool with shady walks, ice creams and water fountains. We had great fun in the Gruffalo woods, on the train and in the adventure park. We are extremely grateful to the Friends of School for subsidising a large part of the cost of this trip.
