Year 3 visit to Carlton Lodge

Class Three enjoyed a lovely sunny morning at Carlton Lodge this week to launch their Marvellous Mountains topic. They completed three exciting activities including orienteering, bushcraft and climbing. There was some great teamwork and map reading skills shown as well as bravery and determination to reach the top of the climbing wall. Well done everyone.

Yrs 3/4 Football Competition

Carlton Miniott Academy girls put in a fantastic performance across six games, showing determination, teamwork, and a real passion for the game from start to finish. With a squad of eight players, the girls worked together as a strong team supporting one another.

Throughout the matches, their team play stood out. Passing improved with each game, communication grew stronger, and the girls showed great awareness on the pitch. It was clear to see they were not only competing but also learning - developing new skills, building confidence, and encouraging each other every step of the way.

Every player gave their all, demonstrating resilience and a positive attitude regardless of the scoreline. Their effort, sportsmanship, and commitment were a credit to the school, and they represented Carlton Miniott Academy with Pride.

Well done Girls!

Great team players.

Yrs 5/6 Cricket Competition

Our Yrs 5/6 Team took to the cricket field yesterday in the glorious sunshine at Thirsk High School. They played games against local primary schools and improved with each game. They all improved on their bowling, fielding and batting, hitting some fantastic sixes.

Well done to the team and Ollie for being such a smashing captain.

Fortnightly Safeguarding Update

Online Gaming and Staying Safe

Many of our pupils enjoy online gaming, which can be a fun and social way to relax and connect with friends. However, it is important that children understand how to stay safe while playing online.

We encourage families to have regular conversations about online safety, including the importance of not sharing personal information, being kind and respectful to others, and knowing what to do if something makes them feel uncomfortable. Please ensure that games are age-appropriate and that privacy settings are enabled where possible.

Remind children that they should always speak to a trusted adult—at home or at school—if they are worried about anything they encounter online. By working together, we can help ensure that all children enjoy gaming safely and responsibly.

These video provide a quick overview on how to keep your child safe whilst gaming online, outlining communication risks, in game spending, age ratings and reporting tools.

Mr Boyle

School Uniform - Labelling

As the weather is warming up and the children now spend their break times on the school field, please could you ensure that their school uniform, especially jumpers, sweatshirts or cardigans, are labelled with their name. They are getting warm whilst playing, take off their jumpers and leave them on the floor. At the end of break we have a pile of jumpers we don't know who they belong to! Many thanks.
