Year 5 Trip to York

Year 5 visited York at the start of July as part of their local history topic on 'crime and punishment'.

They visited York Castle Museum and looked at prison cells that inmates used to be incarcerated in, including the notorious highwayman, Dick Turpin.

They also visited Clifford's Tower and enjoyed the fantastic views over the city.

They learnt about its grim history, including when Robert Aske, the leader of a rebellion against Henry VIII, was hung in chains from the wall!

The children were really well behaved and deserve lots of credit for the super way in which they represented the school.

Headteacher's Message

As we come to the end of another successful school year, I would like to take this opportunity to thank all of our pupils, families, staff and Local Committee Members for their continued support.

This year has been particularly special for me as I complete my first year as Headteacher at Carlton Miniott Primary Academy. I would like to express my sincere thanks to the entire school community for the incredibly warm welcome I have received. From my very first day, I have felt supported, encouraged and proud to be part of such a caring and dedicated school.

Our children have achieved so much this year, both academically and personally, and they should be very proud of all they have accomplished. Thank you also to our staff team for their hard work and commitment, to our Local Committee Members for their support and to our families for the partnership and encouragement you provide throughout the year.

A very special well done goes to our Year 6 pupils. You have been fantastic role models throughout your time at Carlton Miniott and have made many wonderful memories along the way. As you move on to secondary school, we are incredibly proud of everything you have achieved and the young people you have become. We wish you every success and happiness for the future, and we know that you will continue to shine in the next stage of your educational journey. Good luck, Year 6 – we will miss you!

As we reach the end of the summer term, I hope everyone has a wonderful holiday filled with fun, relaxation and special time with family and friends. Thank you once again for making my first year at Carlton Miniott such a positive and memorable one. Your kindness, support and sense of community have meant a great deal to me.

Have a well-deserved rest, stay safe, and I look forward to welcoming everyone back in September for another exciting year of learning and success.

Kind regards,
Matthew Boyle
