

DEAR PARENTS & CARERS...

What a busy week it has been in school!

Firstly, a huge well done to all of our children and staff for coping so brilliantly with the recent hot weather. Everyone has shown great resilience and maturity, and we are very grateful for your support in ensuring children came to school prepared with water bottles, hats and sun cream.

Year 3 had a fantastic time at Warton Crag this week with Outdoor Education North West. The children embraced every challenge with enthusiasm and demonstrated excellent teamwork, determination and respect for the natural environment.

Last weekend was another wonderful Freckleton Club Day. A huge thank you and well done to all of the children, families and staff who took part. Our school float looked absolutely amazing and was a real credit to everyone involved. I was also incredibly proud of our relay teams. The boys' and girls' teams both finished 1st and 3rd in their respective races, meaning we brought home the aggregate trophy once again. A fantastic achievement—well done to everyone involved!

Today, our Year 6 children attended the Blackburn Diocese Leavers' Service at St George's Church, Chorley. It was a lovely service, giving the children an opportunity to reflect on their time at primary school and look ahead with confidence and hope as they prepare for the exciting journey to high school.

A gentle reminder, if you have not already done so, please take a few moments to complete our School Uniform Survey. Your feedback is greatly appreciated and will help governors as they consider the final arrangements for September.

We are all looking forward to Sports Day next Wednesday. Fingers crossed the weather is kind to us! Please keep an eye on your emails and our Facebook page, as we will continue to monitor the forecast closely and will let you know if any changes to our plans become necessary.

Thank you, as always, for your continued support. I hope you all have a wonderful weekend and enjoy spending time together with family and friends.

With very best wishes, Mr Kenyon

Alfie A - 22nd June
Lucas F - 22nd June

Dear God,

Thank you for another busy and joyful week in our school family.

Thank you for the sunshine, for the fun of Club Day, for the courage and teamwork shown by our children, and for the special memories made together.

Please bless our Year 6 children as they prepare for their next steps, and help them to know that they are loved, valued and never alone.

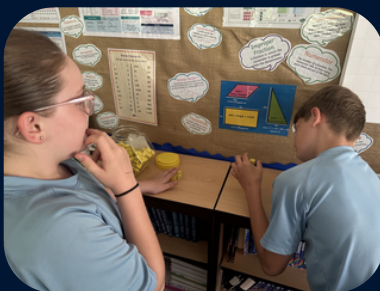

Guide us all to show kindness, patience and thankfulness in everything we do.

Amen.

Y4 - Melody J for being a kind, gentle & thoughtful member of our class
Y4 - Freya G for her hard work and determination
Y6 - Nina J for always working hard and applying all that she's taught.

- YR - Freddie B for Making amazing progress with his writing.
Y1 - Kaycee N for a brilliant recount from Y1s circus & tower trip
Y2 - Clayton S for consistently putting maximum effort into all of his writing.
Y3 - Elizabeth B for a detailed conclusion of our science investigation
Y4 - Martha D for a super news broadcast about the crimes of Macavity
Y5 - Harrison J for his efforts in improving his handwriting
Y6 - Leighton P for trying hard with your writing this week and all year.

SPOTLIGHT ON

A huge thank you to Mrs Byard, who organised a Roman Feast for the Year 3 class last Friday.

The children were given the opportunity to touch, taste and feel some of the foods that were eaten by the Romans. They learnt about how historians learn about what the Romans ate and examined some Roman mosaics depicting foods.

They also learnt about what their diets could tell us about different people and they compared what was the same and different about the diets of different people from Roman society.

HOLIDAYS IN TERM-TIME

What you need to know

At Freckleton CE School, we believe good attendance is essential for your child's success and happiness.

Taking holidays in term-time can have a serious impact on learning.

THE RULES

- Holidays in term-time are **not** authorised.
- You may be issued with a Penalty Notice fine of **£80** per parent, per child.
- If unpaid within **21 days**, the fine increases to **£160** per parent, per child.
- Please help your child **succeed** by booking holidays during school holidays.

Did you know?

- Missing just 5 days of school can mean 25 hours of learning lost.
- 90% attendance means missing 4 weeks of school every year.
- Poor attendance can affect friendships, confidence and future opportunities.

TOGETHER, WE CAN...

Give every child the best chance to learn, grow and achieve.

PLEASE REMEMBER

Term-time holidays are not permitted by law and will not be authorised by school.

Let's make every day count!

BE ON TIME EVERY DAY

SCHOOL STARTS AT
8:55am

CLASSROOM
DOORS OPEN
FROM
8:45am

ARRIVING ON TIME HELPS CHILDREN:

FEEL SETTLED
AND READY TO LEARN

START THE DAY
WITH THEIR CLASSMATES

DEVELOP POSITIVE
ATTENDANCE HABITS

Every minute counts!

Thank you for your support in helping
your child arrive promptly each morning.

Is my child too ill for school?

Does your child have a high temperature (38°C or more)?

YES

Keep them off school until it goes away.

NO

Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
A cough, cold or sore throat Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature. Threadworms Speak to your pharmacist, who can recommend a treatment.	Cold sores Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels. Conjunctivitis Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly. Head lice & nits You can treat head lice and nits without seeing a GP. Hand, foot & mouth disease If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly. Slapped cheek syndrome Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.	Impetigo They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school. Ringworm See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment. Scarlet fever They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics. Chickenpox Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.	Ear infection If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away. Measles They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system. Vomiting & diarrhoea Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.

To find out more, search www.NHS.uk for the specific illness or infection, or 'Is my child too ill for school?'
