## DID YOU KNOW...?

Next week marks a truly special celebration – 100 years of Winnie the Pooh!

First published in 1926, A.A. Milne's beloved bear has been warming hearts for a century. Milne based the character on his son Christopher Robin's real teddy bear, and the Hundred Acre Wood was inspired by Ashdown Forest in East Sussex! As Pooh once said: "Sometimes the smallest things take up the most room in your heart."

We'll be celebrating with a special themed lunch on Thursday 15th.
