

DEAR PARENTS & CARERS...

It has been another great week at Freckleton, with lots going on and plenty to celebrate.

A huge well done to our KS2 football team, who were victorious in the tournament at Carr Hill High School over the last two weeks. The team were unbeaten throughout the whole competition and conceded just one goal – a fantastic achievement. They represented school brilliantly, showing real teamwork, determination and sportsmanship, and it was great to see them come home with the trophy! Netball is next on the sporting calendar, and we are looking forward to giving even more children the opportunity to represent Freckleton. Year 5 are also sounding better and better in their brass lessons with Mrs Rayton. It is lovely to hear their progress each week and to see their confidence growing as musicians.

It was also lovely to welcome the BSYW team back into school yesterday. They joined us for worship before spending time with our Year 1 children for a special workshop. We always value these visits and the opportunities they give our children to reflect, learn and explore faith together.

Our Year 6 children also had an exciting week as they found out which roles they have been chosen for as part of this year's Y6 Leadership Team. Every role is important and gives our oldest pupils the chance to take on responsibility, contribute to school life and act as positive role models for younger children.

Two of our Year 6 School Parliament Leaders were straight into action yesterday with their very first official engagement. They represented school at a special debate at St Annes Town Hall, presided over by the High Sheriff of Lancashire, David Collinge and the Mayor of Fylde Councillor Richard Redcliffe. It was a wonderful opportunity for them to speak in such an impressive setting, listen to pupils from other schools and experience debate and democracy in action. We were very proud of the way they represented Freckleton.

Our governors have been busy too, with both the Resources Committee and the Standards and Effectiveness Committee meeting this week. I would like to thank all of our governors for the time, commitment and expertise they give so generously to the school. Their involvement behind the scenes is hugely important and plays a vital part in supporting and challenging us as we continue to move the school forward.

Today, I attended the Blackburn Diocese Headteachers' Conference, which was a valuable opportunity to work alongside other headteachers from Church of England schools across the Diocese. It is always useful to share ideas, reflect on leadership and consider how we can continue to strengthen our schools while keeping our Christian vision and values firmly at the heart of all that we do.

As always, thank you for your continued support. There is always so much going on at Freckleton, and it is wonderful to see our children making the most of so many different opportunities both inside and outside the classroom.

With very best wishes,

Mr Kenyon

Scarlett W - 25th September
Finn R - 29th September
Mrs Eaves - 30th September
Mr Barnes-Gray - 1st October
Zahara C - 2nd October

Dear God,

Thank you for another busy and joyful week in our school.

Thank you for the talents and gifts of every child, for opportunities to learn, lead, perform, compete and grow in confidence. Help us to celebrate one another's successes and to remember that everyone has an important part to play in our school family.

We give thanks for our staff, governors, families, visitors and all those who give their time to support our school. Guide us as we work together, and help us to show kindness, courage, respect and faith in all that we do.

Bless our school community in the week ahead and help us to continue to let our knowledge be grounded in faith.

Amen.
