

## DEAR PARENTS & CARERS...

*As the week draws to a close, it's time to reflect on what has been a very busy week indeed! We've been having a bit of a move round in school to accommodate the variety of activities going on at any one time. From interventions with teachers and teaching assistants to music lessons for a range of instruments, we were quickly running out of space. Now that we have laptops in school we have been able to repurpose our computer suite and now have a wonderful new space for meetings, interventions and anything else in between. Aptly named 'The Hub', this space is already being put to good use with our Chair of Governors, Mrs Hughes taking up residence in there today with maths boosters for some of our Y6 pupils. Next week, promises to be just as busy with visits to places of worship for some of our children and a trip to the Houses of Parliament for Y5 next Friday. I hope you have lovely, restful weekend and I look forward to seeing the children back in school on Monday.*

*With very best wishes,  
Mr Kenyon*

## PRAYER CORNER

Dear God,  
Thank you for the wonderful mix of people, languages, stories and traditions in our world and in our school.  
As we prepare to celebrate Multicultural Week, help us to be curious, kind and respectful of one another.  
Teach us to listen, to learn, and to see the beauty in our differences.  
May our classrooms be places of friendship, understanding and joy, where everyone feels valued and welcomed.  
Amen.
