

DEAR PARENTS & CARERS...

This week we received the sad news that our former Chair of Governors Jim Martin had sadly passed away. Our thoughts and prayers are with Jim's family as they come to terms with this incredible loss. Here in school we have fond memories of Jim and are grateful for everything he did for school during his long tenure. May he rest in peace.

Multicultural Week has once again given the children the opportunity to visit places of worship, learn about different cultures in class and experience a variety of activities with the wonderful Prags. The samosas she makes are simply the best and they certainly didn't last very long in the staff room! The week ended with a fabulous trip to London for Y5, one of the most multicultural places on earth. The children enjoyed seeing all the main sights - on foot, in the air (courtesy of the London Eye) and on the water as they cruised down the Thames. Our tour of the Houses of Parliament gave the children an insight into how our country is run and was a fabulous history lesson too! This week we look forward to sharing your children's progress at our Spring Term Parents' Meetings. If you haven't booked yet, there's still time!

With very best wishes,

Mr Kenyon

PRAYER CORNER

Loving God,
We thank you for our wonderful Multicultural Week and for the many ways we learned about one another. Thank you for the places of worship we visited, where we were welcomed and learned new ways people pray, celebrate, and show kindness. Help us remember that even when our traditions are different, we all share the same hopes for peace, love, and belonging.

Thank you for our time with Prags and the fun activities we shared. We are grateful for the laughter, learning, and friendships that helped us see the beauty in every culture. Help us to keep open hearts and curious minds, to show respect, to listen carefully, and to treat everyone with kindness each day. May our school always be a place where everyone feels safe, valued, and loved.

Amen.

Who will become our next
Winning House?

YEAR 4 HAVE BEEN VERY HANDS ON WITH THEIR SCIENCE LEARNING OVER THE LAST TWO WEEKS. WE THOROUGHLY ENJOYED MAKING OUR LAVA LAMPS AND DISCOVERING WHY THIS PROCESS HAPPENED AND LOOKING AT THE CHEMICAL REACTION BETWEEN THE LIQUIDS, SOLID AND GAS.

THEN THIS WEEK, WE SET UP AN EXPERIMENT USING THERMOMETERS AND DIFFERENT TEMPERATURES OF WATER. WE HAD TO ACCURATELY MEASURE THE TEMPERATURES AND PREDICT WHAT WOULD HAPPEN OVER A PERIOD OF TIME. THE FREEZER WAS SLIGHTLY MORE EFFICIENT THAN I HAD ANTICIPATED AND WE NEARLY ENDED UP WITH BLOCKS OF ICE!

Multicultural Week 2026

YR - ELLIS EVANS & EDWARD THOMAS

Y1 - JACK RAMSDEN

Y3 - OAKLEY WOODS
