

DEAR PARENTS & CARERS...

It has been another busy and exciting week in school. Year 1 had a fantastic trip to Blackpool Tower and the Circus, and Reception enjoyed a lovely visit to Freckleton Library.

Well done to our KS2 rounders team, who came a very respectable 3rd place in the tournament at Carr Hill High School this week. Speaking of Carr Hill, two groups of our Year 6 children have also attended additional transition sessions there with Mrs Fogg, helping them to feel more prepared and confident ahead of September.

We were also pleased to welcome the team from BSYW into school this week. They delivered worship with a World Cup theme, followed by a transition workshop for our Year 6 children.

We are now very much looking forward to Freckleton Club Day. Lots of our children will be walking or riding aboard our school float, which has once again been kindly provided by John Rhodes. The float has been beautifully decorated by our wonderful team of support staff using the children's artwork. A huge thank you to Mrs Ramsden for coming up with the ideas and coordinating everything.

We are also hoping to be victorious in the Club Day Sports — fingers crossed!

Thank you, as always, for your continued support. Have a lovely weekend.

With very best wishes, Mr Kenyon

THIS WEEK'S BIRTHDAY BOARD

Dear God,

Thank you for another busy and joyful week in our school family. Thank you for the opportunities our children have had to learn, lead, perform, play and grow together.

Please bless our Year 6 children as they prepare for their next steps, and be with everyone taking part in Freckleton Club Day this weekend. Help us to show kindness, teamwork and encouragement in all that we do.

Amen.

On Thursday 11th June, our Year 5 pupils enjoyed a fantastic Mini Match Officials session with **Referee Education Ltd**, led by experienced match officials **Leigh Doughty** and **Natalie Aspinall**.

The children explored what it takes to be an effective referee and young leader, including clear communication, confidence, decision-making, resilience and respect.

Although the weather meant the practical activities had to take place indoors, our Year 5 children adapted brilliantly. They led small-sided games in the hall, using whistles and cards confidently to manage activities and support one another. Every pupil received a certificate and a goody bag, including their own whistle and cards, to help them continue their officiating journey.

A huge thank you to Leigh and Natalie for inspiring our children and helping them develop skills that will support them both on and off the pitch.

HOLIDAYS IN TERM-TIME

What you need to know

At Freckleton CE School, we believe good attendance is essential for your child's success and happiness.

Taking holidays in term-time can have a serious impact on learning.

**ATTENDANCE
MATTERS**

THE RULES

- ✗ Holidays in term-time are **not** authorised.
- 💰 You may be issued with a Penalty Notice fine of **£80** per parent, per child.
- ⚖️ If unpaid within **21 days**, the fine increases to **£160** per parent, per child.
- 👨👩 Please help your child **succeed** by booking holidays during school holidays.

💡

Did you know?

- ✓ Missing just 5 days of school can mean 25 hours of learning lost.
- ✓ 90% attendance means missing 4 weeks of school every year.
- ✓ Poor attendance can affect friendships, confidence and future opportunities.

TOGETHER, WE CAN...

❤️

Give every child the best chance to learn, grow and achieve.

❗

PLEASE REMEMBER
Term-time holidays are not permitted by law and will not be authorised by school.
Let's make every day count!

Thank you for your support in helping your child arrive promptly each morning.

Is my child too ill for school?

Does your child have a high temperature (38°C or more)?	YES Keep them off school until it goes away.	NO Follow the guidance below.
--	---	--------------------------------------

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
A cough, cold or sore throat Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature.	Cold sores Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.	Impetigo They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.	Ear infection If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.
Threadworms Speak to your pharmacist, who can recommend a treatment.	Conjunctivitis Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.	Ringworm See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.	Measles They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.
	Head lice & nits You can treat head lice and nits without seeing a GP.	Scarlet fever They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.	Vomiting & diarrhoea Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).
	Hand, foot & mouth disease If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.	Chickenpox Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.	
	Slapped cheek syndrome Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.		

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.

To find out more, search www.NHS.uk for the specific illness or infection, or 'Is my child too ill for school?'
