

DEAR PARENTS & CARERS...

It has been another busy and exciting week both in and out of school.

A huge well done to our KS2 football team, who competed at Carr Hill on Monday evening. The team played brilliantly and finished the evening unbeaten, which is a fantastic achievement. They now progress to the second round next Monday evening, and we wish them every success.

There are plenty more sporting opportunities on the way too, including an upcoming netball tournament, as we continue to give as many pupils as possible the chance to represent school and experience competitive sport. I would also like to say a very big thank you to Mr Barnes-Gray and Mrs Fogg for accompanying me and 26 of our Year 6 children on our residential visit to Robinwood Activity Centre in Wrexham. We had an amazing few days together. The children threw themselves into a wide range of exciting activities, showing tremendous courage, teamwork, perseverance and encouragement towards one another. Residential visits such as Robinwood give children the chance to challenge themselves, develop their independence and make special memories with their friends. We were incredibly proud of the way they represented our school throughout the visit.

Looking ahead to Monday morning, we will be holding our Macmillan Coffee Morning. Any donations of cakes or other sweet treats would be very gratefully received on Monday morning, and we thank you in advance for your generosity and support for such an important charity. Please see the timetable in this week's newsletter for further details.

Thank you, as always, for your continued support.

With very best wishes,
Mr Kenyon

Who will become our next Winning House?			

Dear God,

Thank you for the opportunities we have to learn, play, challenge ourselves and support one another. Thank you for the friendships and memories made at Robinwood, for the teamwork shown by our sports teams, and for all those who give their time to help our children flourish.

As we support the Macmillan Coffee Morning, help us to remember those who are unwell and the families who care for them. May our kindness, generosity and love make a difference to others.

Amen.

Let's Go Sing is back for our KS2 children!

On Wednesday, all of our junior children had the opportunity to enjoy a singing session with Rachel from the Let's Go Sing team, giving them a taste of what this year's project will involve.

We still have some places available for children in Years 3, 4, 5 and 6 who would like to take part. This year's concert will be held on Monday 8th March at King George's Hall, Blackburn.

There is no charge for your child to take part, as school funds both our participation in the project and transport to the venue.

If your child would like to join us, please complete the [Microsoft Form](#). The form will now remain open until Monday 28th September.

Places are limited to approximately 45 children and will be allocated on a first come, first served basis.

We hope lots of our children will take the opportunity to be part of what is always a fantastic musical experience!

HARRIS MUSEUM - PRESTON

There's a fantastic range of activities taking place from

Monday 26 - Friday 30 October, including:

- Animals!: A fun, interactive family performance celebrating wildlife and nature.
- Fibre Discovery Studio: Explore fleece, wool and cotton and create your own woven keepsake.
- Let's Get Printing: A hands-on printing workshop inspired by The Harris' Horrockses Fashions exhibition.
- Foucault Pendulum Talks: Discover the science and history behind the UK's longest Foucault Pendulum.
- Ink, Print, Repeat: Experiment with lino and foam-block printing.
- Frieze Making Station: Explore maths, patterns and symmetry.
- Coding My First Robot: A hands-on coding challenge for children aged 7 - 14.
- The Anatomy of a Robot: An interactive exploration of robotics and AI.

There are also regular activities through the week including Baby Bounce and Rhyme, Junior Craft Club, LEGO Club and Storytime.

Many activities are free, with some requiring advance booking. Full details, including times, ages, prices and booking information, can be found on the Harris Museum website.
