

## DEAR PARENTS & CARERS...

It has been another great week at Freckleton, and it has been lovely to see the children settling so well into the new school year. Around school, there has been a real sense of enthusiasm for learning, with children working hard, asking thoughtful questions and enjoying the many opportunities their teachers have planned for them.

We have also been busy updating a number of policies and other important information on the school website. Please do take a little time to have a look when you can. We hope that the information is clear and helpful, but if you have any questions about anything you read, please don't hesitate to get in touch with the School Office and we will be happy to help.

Next week will be an especially exciting one for 26 of our Year 6 pupils, who will be heading off to Robinwood in Wrexham from Wednesday to Friday. Residential visits are such a valuable part of school life, giving children the opportunity to challenge themselves, develop their independence, work together and make some very special memories with their friends. We hope they all have a fantastic time, try lots of new things and return home with plenty of stories to tell! Our thanks, as always, go to the staff who are giving their time to accompany and support the children throughout the visit.

Thank you once again for your continued support and encouragement. It is wonderful to see our school community beginning the new academic year so positively, and we look forward to another busy and enjoyable week ahead.

Have a lovely weekend

With very best wishes,  
Mr Kenyon

Dear God,

Thank you for another happy and busy week at our school.

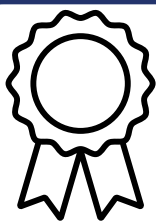

Thank you for the enthusiasm, curiosity and joy our children bring to their learning each day.

Be with our Year 6 children and staff as they travel to Robinwood next week. Keep them safe, give them courage to try new things, and help them to enjoy their time together and make wonderful memories.

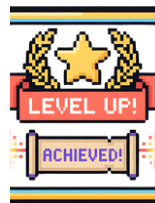

Bless all the children, families and staff in our school community, and help us to continue to learn, grow and care for one another.

Amen.
