

DEAR PARENTS & CARERS...

It has been another excellent week in school, and it has been lovely to see the children settling so well into their new classes and routines. There has already been a real sense of enthusiasm around school, with children working hard, enjoying their learning and getting to know their new class teachers.

I have been particularly pleased to see how positive and settled the children have been. Classrooms are busy, purposeful places, and it is wonderful to see friendships developing, confidence growing and everyone beginning the new school year with such a positive attitude.

Thank you, as always, for your continued support in helping us to make the start of the year such a successful one. We have lots to look forward to over the coming weeks and I am sure it will be another exciting and rewarding year for our Freckleton family.

Finally, a reminder that this Sunday we will be hosting our Education Sunday Service in school at 11.00am, together with the congregation of Holy Trinity Church. It would be lovely to see as many of our families there as possible as we come together to celebrate and give thanks for our school community.

With very best wishes, Mr Kenyon

Raya B - 8th September

Dear God,

Thank you for another happy and successful week in our school.

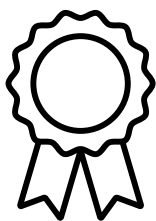

Thank you for our children, staff and families, and for all the learning, friendship and kindness we share together.

As we begin this new school year, help us to grow in confidence, wisdom and faith, and to support one another in all that we do.

Bless our school community as we come together for Education Sunday, and help us always to remember that our knowledge is grounded in faith.

Amen.
