

DEAR PARENTS & CARERS...

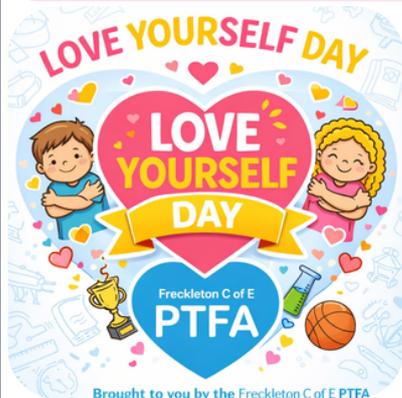

Thank you for your continued support in what has been an extremely busy half term.. We look forward to welcoming you to Family Worship on the first Friday back at 2.30pm where we will be sharing all our learning from the last few weeks. Also if your child has any out of school achievements they wish to share, please let your child's class teacher know. Have a lovely half-term break.

With very best wishes.

Mr Kenyon

THIS WEEK'S BIRTHDAY BOARD

George J 7th February
Joshua D 9th February

Dear God,

Thank you for all the experiences we have shared so far this year – for the learning in our classrooms, the friendships in our playgrounds, the trips, challenges and moments of joy that have helped us grow.

We are grateful for our teachers, families and friends who guide us, support us and encourage us each day.

Help us to remember what we have learned and to use our gifts kindly and wisely.

As we begin our half term break, we ask for rest, peace and happiness for every family. Keep us safe in our travels and our time at home, and bring us back refreshed, ready to learn and to care for one another.

PRAYER

Who will become our next Winning House?

Year 6 have been learning about The Circulatory System

Finding our pulse and measuring our heart rate through exercise

We measured our heart rate and created line graphs to show our results.

We then made models of our blood. Both in our books and in the hall using PE equipment

Can you spot oxygenated and deoxygenated blood? Or even white blood cells battling against infection?

I wonder if you can guess which part of the circulatory system these children are?

This year, as we have already dressed as book characters for Roald Dahl day, we are holding a 'Decorate a Potato as a Book Character' competition. We hope this will give you a fun project to work on together over half term and provide a more budget-friendly alternative to the usual costume parade.

Here are a few ideas to give you inspiration!

Prizes and certificates for the most creative decorated potatoes in each class
