

DEAR PARENTS & CARERS...

I hope this message finds you well. We have continued to enjoy the spell of beautiful weather and it has been a real pleasure to see the children making the most of it, particularly when playing out on the field. Their energy, joy and positive behaviour have been wonderful to witness.

Well done to our Year 1 pupils, who had a fantastic visit to Poolside this week as part of their geography learning. They explored marshes, mudflats and wetlands, and represented the school brilliantly with their curiosity, enthusiasm and excellent behaviour. We are very proud of them.

On Monday, I was delighted to welcome Lisa Fenton from Blackburn Diocese into school. Her visit formed part of my Christian Leadership Course, and she thoroughly enjoyed seeing our wonderful church school in action. The children were especially pleased to meet her in person, as they already feel they know her from the Collective Worship videos we share each week.

Today, we were also pleased to welcome Iain Parks, Director of Education for Blackburn Diocese. He enjoyed a tour of the school and spent time with both staff and pupils. We are very grateful that he was able to join our Celebration Worship, help present awards, and lead us in prayer - it made the occasion all the more special.

Thank you, as always, for your continued support.

I wish you all a lovely weekend. Please remember that school and extended services will be closed on Monday for the May Day Bank Holiday. We look forward to welcoming everyone back on Tuesday.

With very best wishes, Mr Kenyon

Dear God,

Thank you for the sunshine and the joy it brings to our school days. Thank you for the opportunities we have to learn, explore and spend time together, both in the classroom and outdoors.

We are grateful for the experiences of this week, especially for the learning of our Year 1 children and for the visitors who came to see our school. Thank you for the chance to share who we are and what we value as a church school community.

As we approach the weekend, help us to rest, to spend time with those we love, and to be thankful for all we have.

Keep us safe, and bring us back together refreshed and ready for the week ahead.

As a Church of England School in Blackburn Diocese, we are fortunate to work with a fabulous team of experienced people at the Board of Education. This week we received 2 visits, first Lisa and then later in the week Iain. The children recognised them from the Collective Worship videos which we watch in school every Monday morning. Both Lisa and Iain were delighted with what they saw in school - a big well done everyone. Lisa and Iain were both presented with a Golden Anchor as a memento of their visit.

A message from Mrs Banarse...

You may or may not remember, but last year we sorted through our Junior Library. Instead of getting rid of the books we shipped them to the Jofi School in Gambia. The children were so grateful for all our books and sent me a video singing a thank you. However, I noticed in the video that a lot of the children either had no shoes or ill fitting ones, which really touched me. Therefore I am asking if you have any school shoes or trainers that your own children have grown out of, if you would kindly donate them for these children.

Please drop off at Y4 classroom door. Thank you for your support!

YOUR FRECKLETON CLUB DAY NEEDS YOU! ON SATURDAY 20TH JUNE 2026!

We are looking for **MARSHALS** who can man our road closure barriers during our procession 9am to 11am (times vary depending where you are positioned on the route).

Our Chief Marshal **Damian** will provide you with a briefing and a high visibility vest to wear whilst you are marshalling.

We cannot run this event unless we have some more volunteers to marshal road closures, helping to keep our participants safe.

Our community Club Day is purely run by a group of volunteers. We are very grateful to all our volunteers for their contributions. Please join the team to help us keep this annual village event thriving!
