

# Leaney Primary School Development Plan

2025-26

Through the process of self-evaluation, the following have been identified as areas to focus on this academic year.

## Numeracy

1. Improve teaching and learning in measures and data handling from years 1-7.
2. Update maths policy

## World Around Us

1. Monitor the implementation of science progression grids
2. Audit across whole school of content, delivery & needs

## Well-being

1. Ensure nurture/well-being strategies in place medium and short planning

## Literacy

1. Implement grammar and punctuation scheme fully throughout year groups.
2. Introduce Talk Boost in KS1: a targeted intervention programme for children aged 4 - 7 years, who present with delayed language skills.

## ICT

1. Include use of collaborative tools for children (Exchange) and also in staff administration.

## SEN

1. Implement PLP for stage 3 children + graduated implementation of stage 1 and 2.
