Dear Parents / Carers

As this school year starts, I want to share some important information about the new school year and attendance.

School starts again on **Thursday 3rd September**. It is very important that your child comes to school on this first day. Children who miss school in September often go on to miss more school during the year. Good attendance in September is so important.

Why attendance matters

Children who attend school well achieve more. Every day at school helps your child:

- Learn new things
- Make friends
- Feel part of our school community

When children miss school, they miss learning and time with friends, and it creates gaps in their knowledge. This makes it hard to catch up later.

Celebrating good attendance

We celebrate good attendance every week. On Mondays, we say well done to the 3 classes with the best attendance during collective worship. The class with the best attendance gets extra playtime on the field on Friday.

School times and punctuality

- School starts at **8.45am**

If your child is late, they will get a late, unauthorised mark which affects their attendance record. Please make sure your child arrives on time.

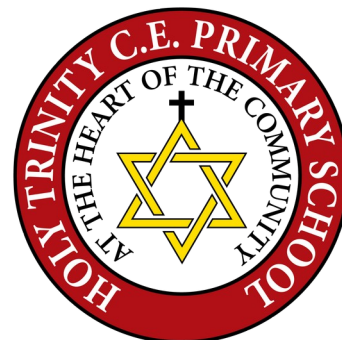

If you have any worries about your child's attendance, please talk to us so we can help.

We hope you have a peaceful and restful summer, and look forward to welcoming all our pupils back to school on **Thursday 3rd September**.
