## Superstars Celebration

Learning and attitudes recognised as 'above and beyond' are celebrated in our Weekly Superstars Celebration. Our Superstars this week are:

### Ruby Class

**Bill** for working so well with others when playing board games and building models together.

### Sapphire Class

**Oscar M-B.** for great team work when building his igloo out of cotton wool and sugar cubes.

**Oscar M.** for coming up with good ideas and trying to work independently.

### Emerald Class

**Lola** for generally being brilliant! She always does her best and shows great consideration for others.

**Rupert** for using and expanding on his choice of vocabulary when writing persuasively.

### Diamond Class

**Charles** for sharing thoughtful ideas during discussions and having such a great attitude to his learning.

**Chris** for taking ownership of his learning—challenging himself to keep improving and asking for support when he needs it.

Our 'We Shine Brighter Together' Award goes to someone who has demonstrated one of our school values and by doing so, contributes towards making our school the best it can be. This week's award goes to **everyone in Ruby and Sapphire Classes** for a brilliant Nativity show. They brought 'A Christmas Recipe' to life with great acting, singing and narration. Throughout your practices you have showcased all of our school values—kindness, respect and perseverance. Thank you for sprinkling your magic on us!
