Superstars Celebration

Learning and attitudes recognised as 'above and beyond' are celebrated in our Weekly Superstars Celebration. Our Superstars this week are:

Ruby Class

Lawrence for his determination to work out how to complete an electrical circuit to light a bulb—he thought of lots of different ideas to try. Great job!

Sapphire Class

Olivia for being incredibly kind. You are always there for everyone in Sapphire Class. Thank you!
Ryker for persevering with swimming. Well done Ryker—you can do it!

Emerald Class

Ted for responding to feedback on how to improve his writing. Well done—we have seen a real improvement in the quality of your work.
Isabel for giving 100% when writing her adapted version of 'Gorilla' by Anthony Brown.

Diamond Class

Destina for persevering in a discussion in RE where you confidently expressed your feelings.
George for making great progress with your Maths and really getting to grips with multiplication and division methods.

Our 'We Shine Brighter Together' Award goes to someone who has demonstrated one of our school values and by doing so, contributes towards making our school the best it can be. This week's award goes to **Edward T. and Kal-Ell** for showing kindness and consideration to children in Ruby Class. This has been noticed by parents, one of whom wrote in to nominate you. Thank you both—you are such great ambassadors for our school.
