

YEAR 2 SUMMER 2 NEWSLETTER

What can we look forward to this half term?

Our History topic this term is all about Rosa Parks. We will be learning about how she helped to make the world a better place.

Our core text is 'I am Rosa Parks' which tells the story of Rosa Parks refusing to give up her seat on the bus.

We also have an additional science unit where we will be learning all about plants.

Supporting Your Child at Home

- Encourage your child to read and quiz through Accelerated Reader.
 - Support your child to complete tasks from the learning log.
 - Support your child to access Century Learning.
 - Useful English websites: Oxford owl, spelling frame, letterjoin.
 - Useful Maths websites: TTRS, Maths frame, numbots, hit the button.
- All logins are in Reading Records.

Reminders

- PE lessons are taught on Thursdays.
- Please send books and reading records into school daily.
- If your child is going to be collected by another adult, please contact the office.

A Note From Mrs Rodgers

Welcome back, I can't believe we are already in the final term! I have thoroughly enjoyed working with all of the children in Year 2 and I am so proud of the progress they have made. They will have two transition mornings in Year 3 this term to make sure they feel fully prepared.

We have got lots to look forward to this half term including Sports Day, The Colour Dash, Sunny Bank's Got Talent and lots more.

As always, please don't hesitate to reach out if you have any questions.

Diary Dates

Please see school calendar for key dates.

Keep in Touch...

YEAR 2 SUMMER 2 LEARNING LOG

Go on a walk in your local area and make a note of the different plants you see. Present your findings as a tally chart, bar chart or pictogram. Write some questions about your data for someone else to answer in class.

There are lots of artists who use flowers, trees and fruit or vegetables as inspiration for their work. Carry out some research and choose an artist whose work you like. Recreate a piece of their art using any media you like.

Make and decorate your own planter using an unused item from home.

Make a fact file about Rosa Parks. Maybe you could add some questions for the class to answer?

Think of an important cause that you believe in. Create your own poster or placard.

What plants grow near you? Look in your garden or local area. Find a plant or flower. Take a photo or draw a sketch of it.
