

YEAR 3 SUMMER 2 NEWSLETTER

What can we look forward to this half term?

This term our main topic is 'The Stone Age,' which the children are eager to learn about! We will kickstart our learning with a visit from 'History Alive', who will bring interesting artifacts into school and teach the children about what life was like in the past. Our Stone Age topic will run through our English, history and art lessons too; we will read 'Stone Age Boy,' explore the prehistoric period in depth, and learn all about cave drawings before creating our own!

A Note From Mrs Allanson & Mrs Hamer

We can't believe we are in the final half-term of the year before we send the children up to Year 4! It has been a pleasure to teach Year 3 and we are excited to continue to watch them blossom over the next 7 weeks. We are truly proud of all the progress they have made thus far.

Throughout Summer 1, we explored our 'What makes our Earth angry?' topic with enthusiasm; we got creative by making Volcanos erupt using a lever and wrote informative explanation texts.

We're sure the children will approach our upcoming Stone Age topic with the same enthusiasm.

Supporting Your Child at Home

- Encourage your child to read regularly – your child may choose to read to an adult or to read independently.
- Encourage and support your child in completing tasks from this half term's learning log, linked to our topic.
- Encourage your child to access Century Learning to complete any work set.
- Useful Maths websites: <https://trockstars.com/>
<https://www.topmarks.co.uk/>
<https://www.timestables.co.uk/multiplication-tables-check/>

Reminders

- Your child will take part in a PE lesson on a Wednesday – correct PE kit must be worn.
- We ask that books and reading records are brought into school daily.
- If you plan for your child to be collected from school by another adult, please ensure that the office are made aware.

Diary Dates

Please see our SBS Calendar Dates which is sent out with our weekly newsletter

YEAR 3 SUMMER 2

LEARNING LOG

Create a 3D model of a Stone Age settlement.

Can you show the different types of homes that people at the time would have lived in and how they changed over time?

Create an information booklet about the Stone Age.
It could include information about

- Weapons
- Houses
- Animals
- Clothing
- Farming

Research and create a fact file about Stonehenge and Skara Brae.

How are these places linked to the Stone Age?

Think about what people at the time would have eaten, where they would have got their food from and how it would be presented and served.

Take photographs of you preparing, cooking and eating your dish.

Think about what the jewellery would have been made from and try to make it look similar.

Can you make a model of a prehistoric animal with clay, plasticine or play dough?
