

# RECEPTION SUMMER 2 NEWSLETTER

## What can we look forward to this half term?

Our exciting topic this term is 'Under The Sea'. This topic will help your children understand more about caring for the natural environment, recycling and life in the ocean!. We will also explore different parts of the world including Australia and The Great Barrier Reef. Your child will have the opportunity to engage in role play, listen to new stories, create arts and crafts using different materials and techniques. We will also continue the transition to Y1 focusing on cooperation, resilience and idea sharing.

## A Note From Mrs McGahan

Hello everyone,

It's hard to believe we're already in our final term! I'm so incredibly proud of all the children and everything they've achieved so far.

Our Minibeasts topic was a real highlight— Reception loved exploring outdoors and watching our caterpillars grow into beautiful butterflies. We're also really looking forward to our upcoming trip to Smithills Farm!

This term, we'll be introducing the Reception Reading Club—more information will be shared soon. We'll also be focusing on getting ready for Year 1, building on all our learning, and, of course, having lots of fun along the way.

We can't wait to share our learning with you at the Reception Celebration Assembly. Thank you so much for your continued support!

## Supporting Your Child at Home

Encourage your child to read regularly. Encourage and support your child in completing tasks from this half term's learning log, linked to our topic. Useful maths websites: Numbots, Maths frame and Top Marks. Phonics: Please speak to Mrs McGahan if you would like any additional support Oxford Owl: a resource to support children with their reading. All children have their own login.

## Reminders

- Your child will take part in a PE lesson on a Thursday morning.
- Please send books and reading records into school daily
- If your child is going to be collected by another adult, please contact the office

## Diary Dates

Please see our SBS Calendar Dates which is sent out with our weekly newsletter.
