

YEAR 2 SUMMER 1 NEWSLETTER

What can we look forward to this half term?

This term we will be focusing on Geography and learning all about the seaside. Our core text is *The Lighthouse Keeper's Lunch* by David and Ronda Armitage. In Science, we will be building on our previous learning on materials and thinking about sustainability.

A Note From The Year 2 Team

It's great to be back and Year 2 have made such a positive start to the Summer term.

We've got a busy half term ahead and we are particularly looking forward to our beach trip! We will also have the chance to do some cooking in DT as well as lots more whole school activities.

If you have any questions or concerns, please don't hesitate to get in touch.

Supporting Your Child at Home

- Encourage your child to read regularly.
- Support your child to complete tasks from the learning log.
- Useful English websites: Oxford owl, spelling frame, letterjoin.
- Useful Maths websites: Numbots, Times Tables Rock Stars, Mathsframe, Hit the Button

Reminders

- PE lessons are taught on Thursdays.
- Please send books and reading records into school daily.
- If your child is going to be collected by another adult, please contact the office.

Diary Dates

Please see our SBS Calendar Dates which is sent out with our weekly newsletter.

YEAR 2 SUMMER 1

LEARNING LOG

Make something tasty to try from The Lighthouse Keeper's Lunch. Can you write instructions so your friends could try to make the same thing?

Create a poster persuading people to visit the seaside.

Make a quiz about sustainability to do with the class.

Do some artwork of the seaside. Will you use pencils, paints or collage?

Write a guide to help people live more sustainably. What simple changes could they make?

Write your own version of The Lighthouse Keeper's Lunch. Which different ways could the characters try to avoid those pesky seagulls?
