Burley Woodhead

Literacy Specialist

Would you like to develop your passion for Literacy whilst still being based in your own school? Would you like to be a part of highly regarded school to school support, affecting the lives of children across Bradford and North Yorkshire? Would you like to help generate additional income for your school?

Due to one of our fantastic Literacy Specialists becoming our Hub Lead, Burley Woodhead English Hub is now seeking to recruit an additional outstanding primary teacher to work with our current team of 6 highly skilled Literacy Specialists.

Our Literacy Specialists will:

- Have an excellent understanding of early language and reading development,
- Have a proven track record of fantastic teaching in reception and/or KS1, including working knowledge of at least 1 DfE validated SSP,
- Be passionate about instilling a love of reading in all children,
- Have experience of delivering effective school to school support.

The Literacy Specialist will continue to be based in their own school and work with the Hub on a regular basis, fully funded at SLE rate. We are flexible in terms of how much time you are able to offer the hub—ideally it would be the equivalent of a day per week but we are happy to accept applications from teachers who are able to commit to different amounts of time (e.g a day per fortnight, two days per half term).
