

## Scremerston Primary School Weekly Newsletter 19th September 25

### Paperwork

As usual we have paperwork that needs to be filled out at the beginning of each school year and you should have received it home last week. If you haven't please get in touch.

To be returned:

- Data collection sheets & General trip consent forms for children in year 1 -5.
- Acceptable Use Agreements for all children.

### Author Visit

We have invited author Carolina Knight Ewing into school on Friday 26th September to have story telling sessions with all of our children. Carolina is a children's author based near Berwick and has written a series of chapter books called Felix and Everly's Mini Adventures which are suitable for 5-9 year olds. The books have short chapters and simple illustrations and are set in the local area with wildlife and nature themes. The first four books in the series follow the seasons and books 5 and 6 are set on Lindisfarne and in Berwick!

### Dates for your Diary

**Tue 23rd Sep** - Y3 & Y4 girls rugby activities @ TCMS

## Star Of The Week Awards

**Teddy**

For his increased confidence & enthusiasm in school!

**Rory I**

For his efforts in Maths, building resilience and independence. He is gaining in confidence and making good progress!!

## Super Work Of The Week Awards

**Sophie**

For her attitude to work & her presentation!

**Iva**

For his reasoning in Maths. Iva identified that the 50 times table is double the 25 times table. He is proving to be very good at spotting patterns in Maths!!

**Well Done Everyone!**
