

Scremerston First School Weekly Newsletter

5th September 25

Welcome back to the new school year everyone!

Personal Information

Data collection sheets will be coming home next week for everyone to check, amend if necessary and return. In the meantime if any of your information has changed e.g. address, telephone number etc since July, please email admin so we can update our records.

Homework

You will receive information from your child's class teacher regarding homework expectations. Homework is not designed to be a chore, but a chance for the children to practise what they have been learning in school and for you to see what they have been doing. Most of the homework tasks are using fun apps and little and often is key! If you have any questions, please get in touch!

Here at Scremerston we know how exciting birthdays are for all of our children and we want them all to feel really special when their big day comes! We also know the financial pressure birthdays put on families and we certainly don't want to extend that pressure in school, so we will continue to provide a treat for all of our children each week there is a birthday in school. This way there is no expectation for any cakes to be sent in from home...one less thing for you to worry about!

If your child is in year 3, year 4 or year 5 they no longer receive Universal Free School meals. Unless they're eligible for income based Free School Meals. School meals cost £2.20 per day and you can pay daily, weekly or $\frac{1}{2}$ termly. Please send money in a named envelope/bag.

Please apply for income based Free School Meals using the following link and if your child is eligible, you will be notified in writing and all meals & school milk will be free to you.
