

Scremerston Primary School Weekly Newsletter 26th September 25

Girl's Rugby

Well done to our Year 3 & Year 4 girls who all had a fantastic time at Tweedmouth Middle School taking part in Girls Rugby Activities Day! It was a fantastic morning with the girls meeting pupils from other schools and enjoying rugby skills activities, mini matches and some craft activities.

Author Visit

Carolina Knight Ewing, a fantastic children's author, came into school to carry out story telling sessions with all of our children. Carolina is a children's author based near Berwick and has written a series of chapter books called Felix and Everly's Mini Adventures which are suitable for 5-9 year olds. The children were engrossed in her stories and enjoyed her story telling sessions. The books have short chapters and simple illustrations and are set in the local area with wildlife and nature themes. **If you would like to purchase any of Carolina's books, they are £5 each or if you buy 4 or more you get one free! Orders can be placed with Carly in the office.**

Walk to School Month

October is 'Walk to School Month' and we encourage all of our children to try and find a way of getting to school using their own steam! **Think walk, run, skip, scoot, bike, skate or any other fun way!** We realise that you may not be able to walk all the way from home so we encourage you to give an extra few minutes to maybe park a bit further away from school a few days or is there a possibility to car share some days and enjoy group walks along the village to school? If you would like us to share photos of your child/children getting to school in October, please email them to the admin

email address. We are planning activities throughout October to support this initiative so will keep you updated but **'save the date' for our whole school sponsored walk on Tuesday 21st October** - parents/family welcome to join the sponsored walk to raise money to help towards our school strips and visits!

Dates for your Diary
